ADHESIVES & SEALANTS

Tec7 cartridge 310ML

TEC7 ALL-ROUNDER

All-round sealant and adhesive, Even under water

- ✓ unique adhesive powers
- ✓ adheres to both wet and dry substrates
- ✓ superior UV and mould resistance

TEC7 is the original all-rounder. More than 20 years after it was first launched, TEC7 still remains the most popular product for anything that needs gluing, sealing or securing. For a top-class job, tradesmen and savvy DIY enthusiasts reach for the TEC7 cartridge and rightly so!

TEC7 is the first choice for 80% of all applications. TEC7 replaces assembly adhesive, wood glue, PU glue, silicone mastics, acrylate sealants...

Fast curing.

TEC GUN

The professional, ergonomic cartridge gun

Trans 310ML cartridge

TRANS CLEAR

TRANSLUCENT

Translucent gluing and sealing

- ✓ suitable on wet surfaces
- ✓ water and airtight
- ✓ solvent free and mould/bacteria resistant

Trans Metallic 310ML cartridge

TRANS METALLIC

CHROME EFFECT

Chrome effect gluing and sealing

- ✓ suitable on wet surfaces
- ✓ water and airtight
- ✓ solvent free and mould/bacteria resistant

TRANS CLEAR and TRANS METALLIC are high quality products that are ideal for hundreds of applications. Trusted by trades people and DIY enthusiasts for many years, TRANS CLEAR is perfect for sealing any transparent applications while TRANS METALLIC with its unique chrome effect is perfect for sealing semi-transparent applications i.e. sealing chrome finish shower doors etc. Trans products also have excellent gluing qualities, is fast curing, solvent free and can be used under water making it instantly waterproof, easy to see why it has become so well renowned in its sector.

X-Tack 290ML cartridge

X-TACK

INSTANT GRAB ADHESIVE

Rock-solid fittings without the need for support

- ✓ the most powerful MS-polymer
- ✓ vibration and impact resistant
- ✓ perfect for vertical bondings

Apply, position and walk away.

With X-TACK you stay in control of all your fittings, without the need for other aids. X-TACK stands out because of its superior initial adhesion and ultra-fast curing properties. The choice par excellence for vertical and hanging fittings that you do not want to see move or slide.

TEC GUN

The professional, ergonomic cartridge gun

- ✓ ergonomic design
- ✓ perfect gearing allows for effortless dispensing of product
- ✓ long life span

The TEC GUN is suitable for most products in a cartridge, irrespective of their viscosity, even for 2-component products thanks to its 18:1 pump ratio.

Its perfect balance and rotating cartridge holder allows you to place the nozzle in the correct position, this also makes dispensing thicker products such as X-Tack effortless.

Super
10ML-20ML-50ML

SUPER

SUPERIOR ADHESION

Tough broad-spectrum superglue

- ✓ professional cyanoacrylate glue
- ✓ crystal clear joints
- ✓ fast-drying for speedy repairs

Super outstrips all your standard home, garden and kitchen superglues because of its superior adhesive powers and wide range of applications.

- powerful adhesive for wafer-thin layers
- transparent, all-purpose adhesive
- on porous surfaces, use in combination with SUPER ACTIVATOR
- the activator accelerates curing, even on smooth surfaces

Super Activator 150ml

SUPER ACTIVATOR

Accelerates the curing of SUPER

- ✓ improves bonding to porous surfaces

SUPER ACTIVATOR accelerates curing, on porous and smooth surfaces alike.

CLEANING & DEGREASING

Remove All 50ML

REMOVE ALL

STUBBORN RESIDUES

Cleaner for stubborn chemical stains

- ✓ cured PUR foam sealant
- ✓ glue residues
- ✓ paint and lacquers

REMOVE ALL penetrates stains and breaks their contact with the surface. Old paint loosens, cured sealants come away from the surface and PU foam remnants soften and become easy to remove. REMOVE ALL is an eco-friendly product and is easy to use.

Fireproof, removes the most impossible stains such as cured sealant, PU foam, paint and lacquer, soot residue...

HP Clean 1L - 5L - 25L

HP CLEAN **ALL-PURPOSE**

Powerful and deep-acting cleaner

- ✓ for use on natural staining
- ✓ H.A.C.C.P (Food) safe certified
- ✓ solvent and acid free, safe to use on all materials

HP CLEAN is a ready to use concentrated cleaner and degreaser for all types of natural dirt. Suitable for most surfaces, walls, floors, synthetic materials, natural stone, wood etc. HP Clean is also ideal for all kinds of vehicles such as motorbikes, caravans, boats etc. and can be used on other materials such as metals, brickwork and plasterwork. HP CLEAN gives dirt engrained textiles a new lease of life and offers solvent free degreasing of tools prior to gluing, sealing, welding etc.

Ca Clean 1L

CA CLEAN

REMOVES LIMESCALE

Removes rust, limescale and cement residue

- ✓ ready for use
- ✓ safe on stainless steel, rubber, ceramics, synthetics
- ✓ H.A.C.C.P (Food) safe certified

Ca-Clean is ready for use in this foam trigger. Because of foam formation it may take longer to settle in. Safe for use on stainless steel, rubber seals, ceramics, plastic, ...

Ca-Clean is H.A.C.C.P. compliant.

Tec7 Cleaner
500ML - 1L - 5L - 25L

TEC7 CLEANER

PERFECT FINISH

Universal cleaner and degreaser

- ✓ for use on non-organic dirt/stains
- ✓ acid free, safe to use on all materials
- ✓ removes uncured Tec7 and sticker/adhesive residues

TEC7 CLEANER is the partner for all your TEC7 products. This safe solvent-based cleaner gives you a grease free surface for a perfect bond. Excellent for obtaining a smooth finish on Tec7 joints.

Multiclean 500ML

MULTICLEAN

DOES NOT SMEAR

Powerful universal foam spray cleaner

- ✓ cleans, degreases and shines
- ✓ safe to use on most materials
- ✓ excellent on glass, mirror and stainless steel

MULTICLEAN is a universal foam cleaner for all surfaces. Thanks to its neutral properties, MULTICLEAN can be used anywhere.

Cleaning and degreasing

Scrub 500ML

SCRUB

SAFE SCOURING CREAM

Powerful scouring cream for smooth and hard surfaces

- ✓ cleans, renovates and protects in one go
- ✓ kind to the skin and biodegradable
- ✓ H.A.C.C.P (Food) safe certified

Scrub is a cleaning- and scouring cream for smooth and hard surfaces which also leaves a water-repellent, protective coat.

SCARABEE

THE TEC7 MAGIC

Removes stubborn stains

- ✓ can be reused up to 5 times in combination with TEC7 cleaners

The SCARABEE has a mildly scouring effect and helps to remove the most stubborn stains from most hard surfaces in a flash. Double-sided effect: a scourer on one side and compressed, microcellular melamine on the other side. Ideal when used in combination with TEC7 cleaners.

**LUBRICATION &
SURFACE PROTECTION**

GT7 200ML - 600ML

GT7

PROFESSIONAL MULTISPRAY

Unique top-quality multi-spray

- ✓ penetrating oil - lubricant - cleaner
- ✓ rust preventer
- ✓ and a whole lot more!

GT7 is a what you would call a textbook TEC7 product. One product, a myriad of applications. Innovative, superior quality. GT7 is a multipurpose spray that will free up quite a bit of space on your store shelves:

- deep-penetrating lubricant
- powerful rust preventer
- penetrating oil: loosens whatever is stuck
- high-end lubricant
- contact spray: perfect electrical contacts
- cleaner
- protects all surfaces

WATERPROOFING

ROOF

RETAINS ITS FLEXIBILITY FOR 20 YEARS

All-weather roof repair

- ✓ fibre-reinforced, bituminous repair paste
- ✓ remains soft and flexible (20+ years after it has been applied)
- ✓ can also be used on wet and/or frozen but ice free surfaces

Wherever waterproofing is an issue, ROOF comes into its own. ROOF is a bituminous paste with a high glass-fibre content which means it is ideal for permanently repairing bigger cracks and gaps in your roof.

Another bonus is that ROOF can even be applied to larger surfaces. ROOF can be used at temperatures of between -12°C and +50°C, on dry or wet surfaces; no dissolving or rinsing required

Roof 310ML

Roof 1KG

Roof 5KG

Roof 10KG

REPAIRS

Filler 300ML

FILLER **ULTRA-LIGHT**

Ultra-light repair and finish filler

- ✓ ready to use and remains fresh for 24 months even when opened
- ✓ for indoor and outdoor
- ✓ easy to handle

FILLER is a professional, all-in-one filler and finishing plaster for all porous building materials. Grain-free structure, outstanding adhesion to all porous building materials. Water-resistant and can be painted over quickly. Absorbs shrinkage and expansion without cracking.

Filler 750ML

Filler 250ML Pot

Filler 5ML

HEATING AND INSULATION

PUR pro 750ML

PUR PRO

B1 FIRE RETARDANT

B1 fire retardant expanding foam

- ✓ for use with an expanding foam gun
- ✓ low expansion pressure, stops expanding on meeting resistance
- ✓ adheres to most construction materials

PUR PRO is a top-quality, controlled-expansion PUR foam which never expands by more than 20%. Its low expansion pressure ensures that all spaces are filled, while structures remain in the right place.

- maximum expansion rate of 20%
- excellent insulation (conductivity 0.035W/mk), sound proofing (≤ 57 db) and mounting expanding foam
- can be used in temperatures down to -10°C
- use in combination with the PUR GUN
- highly rot-resistant

PUR GUN

Non-stick Pur Gun

- ✓ perfect dosing
- ✓ non-stick coating
- ✓ easy to clean

The PUR GUN allows you to dose PU foam in a controlled manner. Joints can be filled meticulously and doors and windows can be fitted quickly, easily and safely. Clean your PUR GUN swiftly and easily using PUR CLEANER.

PUR 750ML

PUR

B2 FIRE RETARDANT

B2 fire retardant expanding foam

- ✓ stops expanding on meeting resistance
- ✓ can be re-used once properly sealed
- ✓ in temperatures down to -10°C

PUR is a top-quality, controlled-expansion PUR foam. Its low expansion pressure ensures that all spaces are filled, while structures remain in the right place. Compact cell structure for greater insulation.

PUR Cleaner
500ML

PUR CLEANER

Gun cleaner/removes uncured foam

- ✓ easy to use
- ✓ for guns with a standard thread
- ✓ suitable for all PU foams

PUR CLEANER cleans and removes uncured PUR foam in an instant. It is also the simplest and most efficient way to clean your gun.

PLUMB

STOPS LEAKS
Quickly and permanently stops heating system leaks

- ✓ for use on open and closed heating systems
- ✓ does not clog and simple to use
- ✓ prevents rust and corrosion

PLUMB7 750ML

Tec7 Plumb quickly & permanently stops leaks in open & closed heating systems.

Tested and approved, Plumb is easy to use and ideal for use in domestic and industrial systems, one 750ml bottle treats a 75 litre system, approximately 10 to 12 standard radiators.

PLUMB does not clog
