

**VAN VAULT**

**PROTECTING THE TOOLS  
OF YOUR LIVELIHOOD**

2018

# A VEHICLE BREAK-IN TAKES AS LITTLE AS 10 SECONDS\*\*

## Can you afford to lose your tools?

Over 845,000 incidents involving theft from a vehicle were reported over 2016/2017\*.

If you suffered a break-in and your valuable equipment and tools were taken, could you continue your job without them?

Van Vault prides itself in developing the most comprehensive choice of durable and innovative security solutions to deter the most intelligent thieves from stealing your equipment.

Launched in 1998, Van Vault has grown in the UK to become recognised as the leading mobile security container brand. From a Van Vault for fixed installation into a small van or tipper truck, to on-site security solutions, the ever-expanding range accommodates solutions for every professional tradesman's needs.

To find your nearest stockist, visit [www.vanvault.co.uk/dealerlocator](http://www.vanvault.co.uk/dealerlocator)

### Replacement Key Process

A key replacement service is offered on all Lever Locks. In order to match the right replacement lock to your security container, obtain the Key Reference located on a silver plaque riveted on the side of each security Van Vault.

### Spares

Replacement items are available. See the full range on page 39.

# VAN VAULT 2

The ORIGINAL high security steel storage box for commercial vehicles

External Size: 490 x 922 x 566mm (H x L x D)

Internal Size: 478 x 828 x 430mm (H x L x D)

Weight: 46Kg

Part No: S10250

## Features:

- 2mm sheet steel construction
- 1 x 70mm disk lock
- Supplied with three keys
- 4 reinforced fitting points
- Fully phosphated anti-corrosion protection
- Flush comfort grip handles

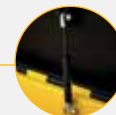

Optional extras: castor set (pg.38)

Compatible with: Stacker and Stacker XL

## 70mm Lock

Highly effective anti-pick & anti-drill stainless steel disc lock

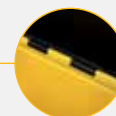

## Gas strut

Arresting support arm ensures a soft open/close action

## Handles

Flush grip handles for comfort

## Single pin hinge

Tamper-proof 'no pull' design prevents lid removal

# VAN VAULT 3

Secure storage which combines the original Van Vault box design with a locking drawer solution for protecting hand and power tools

External Size: 539 x 921 x 556mm (H x L x D)  
 Internal Size: 336 x 828 x 425mm box (H x L x D)  
 130 x 850 x 392mm drawer (H x L x D)  
 Weight: 66Kg

Part No: **S10345**

## Features:

- 2mm sheet steel construction
- 2 x 70mm disk locks
- Lashing point for securing valuable items
- Integrated single pin hinge
- Fully phosphated anti-corrosion protection
- Gas strut support arm
- Solid lock 'lid stay' system
- Flush comfort grip handles
- 4 reinforced fitting points
- Supplied with three keys per lock

## Drawer

- Integrated drawer for easy access to tools
- Foam in-lay
- Smooth drawer action

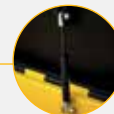

**Optional extras:** castor set (pg.38)

**Compatible with:** Stacker and Stacker XL

## 70mm Locks

Highly effective anti-pick & anti-drill stainless steel disc lock

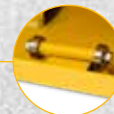

## Gas strut

Arresting support arm ensures a soft open/close lid action

## Integrated drawer

Tough sheet steel construction with durable anti-corrosion protection

## Heavy duty roller bearing

Creates smooth drawer action

# STACKER & STACKER XL

Secure drawer solution for protecting hand and power tools

Stacker: External Size: **187 x 910 x 485mm (H x L x D)**  
Internal Size: **130 x 885 x 336mm (H x L x D)**  
Weight: **29.5Kg**

Stacker XL: External Size: **284 x 910 x 485mm (H x L x D)**  
Internal Size: **227 x 885 x 390mm (H x L x D)**  
Weight: **36.5Kg**

Stacker Part No: **S10346**

Stacker XL Part No: **S10347**

## Features:

- 1.5mm sheet steel construction
- 1 x 70mm disk lock
- Supplied with three keys per lock
- Multiple fitting points
- Fully phosphated anti-corrosion protection
- Steel grip handle
- Smooth drawer action
- Foam in-lay in drawer
- Complete with fixing kit

**Compatible with:** Van Vault 2, Van Vault 3, Stacker and Stacker XL

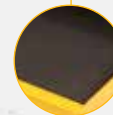

**70mm Lock**  
Highly effective anti-pick and anti-drill stainless steel disk lock

**Heavy duty roller bearings**  
Creates smooth drawer action

**Fitting points**  
Pre-drilled mounting points for ease of attachment to other Van Vault products

**Foam in-lay**  
For an anti-slip drawer base

# SLIDER & SLIM SLIDER

Low visibility, secure drawer systems for storing and protecting power tools in their carry cases

Slider: Fits: **6 power tools stacked in 2 layers**  
 External Size: **310 x 500 x 1200mm (H x L x D)**  
 Internal Size: **260 x 444 x 1115mm (H x L x D)**  
 Weight: **45Kg**  
 Load Capacity: **300Kg**

Slim Slider: Fits: **6 power tools stacked in 1 layer**  
 External Size: **184 x 1000 x 1200mm (H x L x D)**  
 Internal Size: **135 x 950 x 1115mm (H x L x D)**  
 Weight: **60Kg**  
 Load Capacity: **300Kg**

Slider Part No: **S10325**

Slim Slider Part No: **S10327**

## Features:

- 1.25mm sheet steel construction
- 1 x 70mm disk lock
- Supplied with three keys per lock
- Multiple fitting points
- Fully phosphated anti-corrosion protection
- Steel grip handle(s)
- Heavy duty roller bearings
- Smooth drawer action
- Anti-slip top surface
- Reinforced top designed to take loads e.g. pallet
- Easy to conceal under other equipment
- Floor mounts between wheel arches
- Fits any commercial vehicle

**70mm Lock**  
 Highly effective anti-pick and anti-drill stainless steel disk lock

**Heavy duty roller bearings**  
 Creates smooth drawer action

**1.25mm Sheet steel**  
 Tough sheet steel construction

## Single pin hinge

Tamper-proof 'no pull' design prevents lid removal

## Handles

Flush grip handles for comfort

# TIPPER

For Tipper style vehicles to safeguard tools against theft and weathering

External Size: 490 x 1815 x 560mm (H x L x D)

Internal Size: 420 x 1720 x 435mm (H x L x D)

Weight: 65Kg

Part No: S10320

## Features:

- 2 x 70mm disc locks
- Supplied with three keys per lock
- Multiple reinforced fitting points
- Fully phosphated anti-corrosion protection
- Sloping lid to channel water away
- Flush comfort grip handles
- Fits neatly against the bulkhead

Optional extra: castor set (pg.38)

# XL

Providing maximum secure storage in your vehicle for the trades larger tools

External Size: **635 x 1190 x 645mm (H x L x D)**

Internal Size: **595 x 1150 x 580mm (H x L x D)**

Weight: **59Kg**

Part No: **S10348**

## Features:

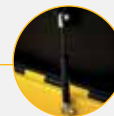

- 2mm sheet steel construction
- 2 x 70mm disk locks
- Supplied with three keys per lock
- Integrated single pin hinge
- Fully phosphated anti-corrosion protection
- Gas strut support arms
- Solid lock 'lid stay' system
- Flush comfort grip handles
- 4 reinforced fitting points

### 70mm Locks

Highly effective anti-pick & anti-drill stainless steel disc lock

### Gas struts

Arresting support arms ensure a soft open/close lid action

### 2mm Sheet steel

Tough sheet steel construction with durable anti-corrosion protection

### Wide mouth opening

For easy access

# ROOF TUBES

Ideal for transporting and storing copper, waste and other pipes

3.1m

## ROOF TUBE 100

External Size: **115 x 3150 x 138mm (H x L x D)**

Internal Size: **90 x 3030 x 126mm (H x L x D)**

Weight: **8.25Kg**

Part No: **S10520**

### Features:

- Lightweight tough 1.5mm thick aluminium
- Holds 100M of copper in 34 x 3M lengths
- Injection moulded end cap with steel insert - prevents risk of spillage during heavy braking
- Dual end loading
- 2 x 40mm solid brass and stainless steel padlock supplied with 3 keys per padlock - 142g each
- Supplied with roof fixing mounts

3.1m

## ROOF TUBE 165

External Size: **150 x 3200 x 180mm (H x L x D)**

Internal Size: **125 x 3030 x 173mm (H x L x D)**

Weight: **14.45Kg**

Part No: **S10530**

### Features:

- Lightweight tough 2.1mm thick aluminium
- Holds 165M of copper in 55 x 3M lengths
- Injection moulded end cap with steel insert - prevents risk of spillage during heavy braking
- Dual end loading
- 2 x 40mm solid brass and stainless steel padlock supplied with 3 keys per padlock - 142g each
- Supplied with roof fixing mounts

# 4-SITE

Providing maximum secure storage space on construction sites and other workplaces

External Size: **750 x 1190 x 645mm (H x L x D)**  
 Internal Size: **595 x 1150 x 580mm (H x L x D)**  
 Weight: **60Kg**

Part No: **S10270**

#### Features:

- Supplied with two keys per lock
- 2mm sheet steel construction
- 2 x 5-lever BS Locks
- Integrated single pin hinge
- Fully phosphated anti-corrosion protection
- Gas strut support arms
- Solid lock 'lid stay' system
- Flush comfort grip handles
- Low visibility black body
- Fork lift points for easy loading
- New enlarged fork skids, allowing easy loading access for pallet trucks and fork lifts

**Optional extra:** castor set (pg.38)

# 4-STORE

The ultimate storage solution, comprising of the toughest anti-theft features on-site

External Size: 1280 x 1282 x 735mm (H x L x D)

Internal Size: 1111 x 1121 x 665mm (H x L x D)

Weight: 173Kg

Part No: **S10280**

## Features:

- 2.5mm sheet steel construction
- 2 x 5-lever BS Locks
- Supplied with two keys per lock
- Integrated single pin hinge
- Fully phosphated anti-corrosion protection
- Gas strut support arms
- Solid lock 'lid stay' system
- Low visibility black body
- Fitted with shelf brackets
- Fork lift points for easy loading
- Crane hook anchor brackets
- New enlarged fork skids, allowing easy loading access for pallet trucks and fork lifts

**VAN VAULT**

# FUEL 'N' TOOL

**Ideal for storing valuable equipment and flammable liquids securely on-site**

External Size: **750 x 1190 x 645mm (H x L x D)**

Internal Size: **595 x 575 per section x 580mm (H x L x D)**

Weight: **173Kg**

**Part No: S10107**

## Features:

- Two compartments to separate tools and fuel
- Fitted with brass overspill tap\*
- 2 x 5-lever BS Locks
- Supplied with two keys per lock
- Integrated single pin hinge
- Heavy gauge 2mm sheet steel construction
- Fully ventilated with flame arrestors\*
- New enlarged fork skids, allowing easy loading access for pallet trucks and fork lifts

**Optional extra:**  
castor set (pg.38)

\*Fuel side only

# FOLD-AWAY GAS CAGE

Secure cage for storing hazardous cylinders

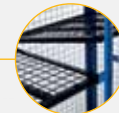

Size: 1735 x 1700 x 880mm (H x L x D)

Weight: 130Kg

Part No: S10360

## Features:

- Manufactured from mild steel sections between 3 & 5mm thick
- Covered with 2" x 2" 10g mild steel, copper coated weld mesh
- Iron phosphated pre-treatment and powder coated
- Dimensions:
  - Body 62.6Kg
  - Lid 14Kg
  - 2x doors 10.1Kg & 12.5Kg
  - 2x internal shelves (735 x 750mm) 7.5Kg each
  - 1x internal shelf (1500 x 700mm) 14Kg
- Comes with signs

Easy Assembly

Secure Storage\*

Flat Pack  
Convenient for easy storage  
flat pack design

\*Padlock not included

# CHAINS

Perfect for securing valuable equipment to permanent fixtures

## COBRA 8

Size: 1.2mtr of 8mm thick chain

Weight: 2Kg

Part No: S10120

### Features:

- Link size: 53.5 x 8 x 8mm
- 70mm disc lock
- Made from hardened steel
- High density nylon chain cover
- Toggled nylon carry bag

## COBRA 11

Size: 1.5mtr of 11mm thick chain

Weight: 3.9Kg

Part No: S10125

### Features:

- Link size: 65 x 11 x 11mm
- 'E' slotted lock
- Made from hardened steel
- High density nylon chain cover
- Toggled nylon carry bag

# STRAPS

Perfect for securing loads from moving in transit

**Features:**

- Made from flexible yet durable polyester webbing
- Straps secure loads from moving in transit
- EN12195-2 certified for use on industrial, commercial and domestic vehicles

## RATCHET STRAPS

### Features:

- Made from flexible yet durable polyester webbing
- Straps secure loads from moving in transit
- EN12195-2 certified for use on industrial, commercial and domestic vehicles

### 5.0M x 25mm Ratchet Strap

Lashing Capacity: 300Kg

Part No: S10673

### 3.0M x 25mm Ratchet Strap

Lashing Capacity: 300Kg

Part No: S10677

## ENDLESS STRAPS

### Features:

- Made from flexible yet durable polyester webbing
- Straps secure loads from moving in transit
- EN12195-2 certified for use on industrial, commercial and domestic vehicles

### 1M x 25mm Endless Strap (Pair)

Lashing Capacity: 160Kg

### 3.2M x 25mm Endless Strap (Pair)

Lashing Capacity: 160Kg

Part No: S10679

### 4.5M x 25mm Endless Strap (Pair)

Lashing Capacity: 160Kg

Part No: S10680

## MOBI DOCKING STATION

Secure base for remote site installation; for use with the Van Vault Mobi

Weight: 4.25Kg

Docking Station Part No: **S10310**

Mobi & Docking Station Part No: **S10301**

### Features:

- Optional extra for the Mobi (pg.15)
- 1.5mm sheet steel construction
- Fully phosphated anti-corrosion protection
- Dual locking on docking station

**Lock the Mobi base down**  
Dual locking

**Lock base to Mobi**  
Secures the Mobi in place

**1.5mm Sheet steel**  
Tough sheet steel construction with durable anti-corrosion protection

## CASTOR SET

For Van Vault 2 / Van Vault 3

Part No: **S10099**

### Features:

- Set of 4 heavy duty wheels, 2 with safety brakes
- Press brake
- Tough nylon wheels
- 1.5mm plated steel chassis
- 2.25Kg

## CASTOR SET

For Outback / Tipper / XL / 4-Site / Chem Safe / Fire Safe / Fuel 'N' Tool

Part No: **S10085**

### Features:

- Set of 4 heavy duty wheels, 2 with safety brake
- Press brake
- Tough nylon wheels
- 1.5mm plated steel chassis
- 3.7Kg

## 70mm DISC LOCK

For use with Van Vault security containers  
and as a padlock

Weight: 284g

Single Pack Part No: **S10064 / S10063**

Twin Pack Part No: **S10029 / S10028**

### Features:

- Supplied with 3 keys per lock
- Fits Van Vault security boxes
- Laser welded stainless steel body
- Hardened steel chrome-plated shackle
- Brass cylinder with 5-pin tumbler

## 5-LEVER BS LOCKS

Two replacement locks for all  
Van Vault site safes, stores & 4-Site

Weight: 350g each

Part No: **S10047**

### Features:

- Includes 2 identical keys
- Designed to resist drilling  
and lock picking
- Hardened steel plates

## SPARES

### Lid Stay

All Store Products
